# Why SAP is a Great Career Choice?

💰 **High Earning Potential** — Competitive salaries worldwide

🌐 **Global Opportunities** — Join a worldwide SAP ecosystem

✓ **Job Security** — In-demand skills across industries

🕒 **Flexibility** — Work from anywhere, anytime

🚀 **Innovation** — Be part of cutting-edge digital transformation

🤝 **Supportive Community** — Learn, grow, and network with experts

## Career with SAP Training in New Jersey

**So, are you looking to advance your career with SAP training in New Jersey?**

Well, you've come to the right place.

**We are diving into why Think Tree Technologies is the best institute for SAP training in New Jersey.**

# End to End Training Lifecycle

## Step 1: Live Training (Instructor-led Training)

- 🏠 **Training happens on Saturday and Sunday.** And some classes are on weekdays.
- 🎓 Our training will prepare you to get the **certifications from SAP**
- 📖 Our **course content** is **benchmarked** directly with **SAP**
- 📄 We provide **SAP Server access for 12 months** to every student.
- 📎 **Training material in PDF form** will be provided by us.
- 📝 **Training assignments and homework** will be provided during the course.
- 🎥 We provide **video recording of each session after the class for 12 months.** Video recordings are a beneficial tool in the learning process.
- 🏢 We offer classroom as well as online training. We are in Piscataway, New Jersey, United States. Please visit our office at your convenience.
- 👤🏢 **Faculty working/teaching SAP since 1998**, based in NJ, USA.

# End to End Training Lifecycle

## Step 2: Training Assessment

- 🧠 We will do 3 mock interviews to assess conceptual understanding of the SAP course.
- ✓ We will verify homework and assignments of SAP exercises.
- ↺ Student can re-attend the course for 1 year with no additional fees.

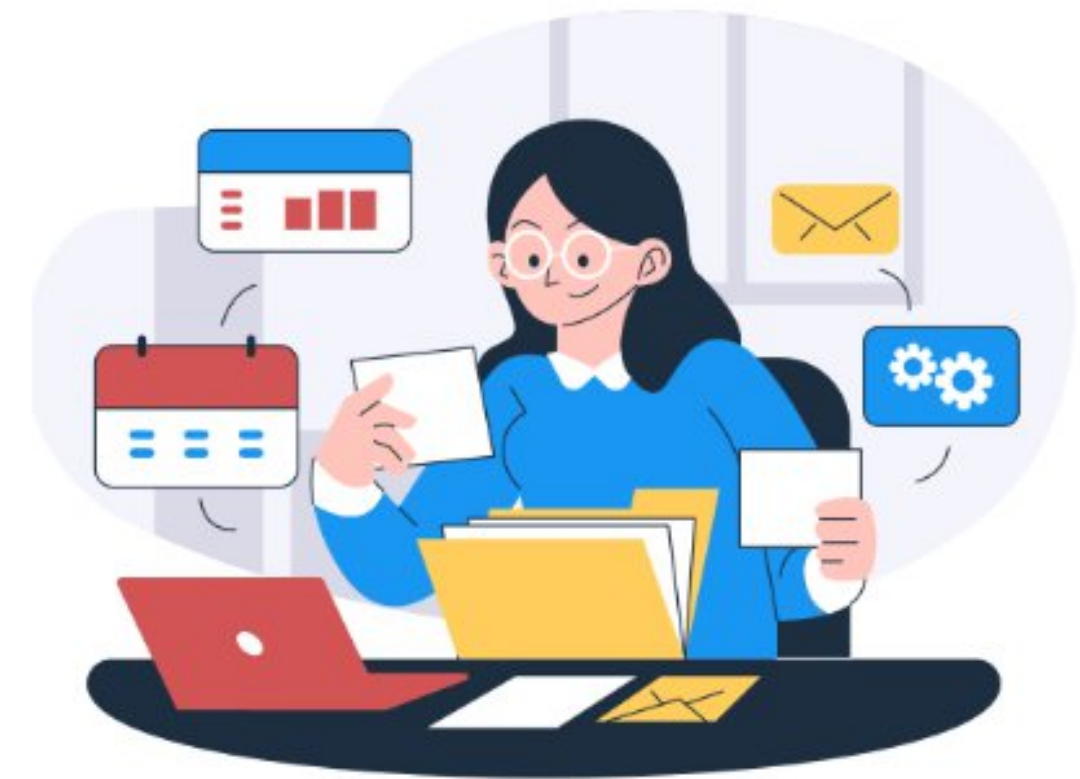

# End to End Training Lifecycle

---

## Step 3: Resume Prep / Marketing / Placement

-  Assist in preparing a **professional resume** as per industry standards.
-  Our recruitment team will **market your resume and assist every student in getting a placement.**

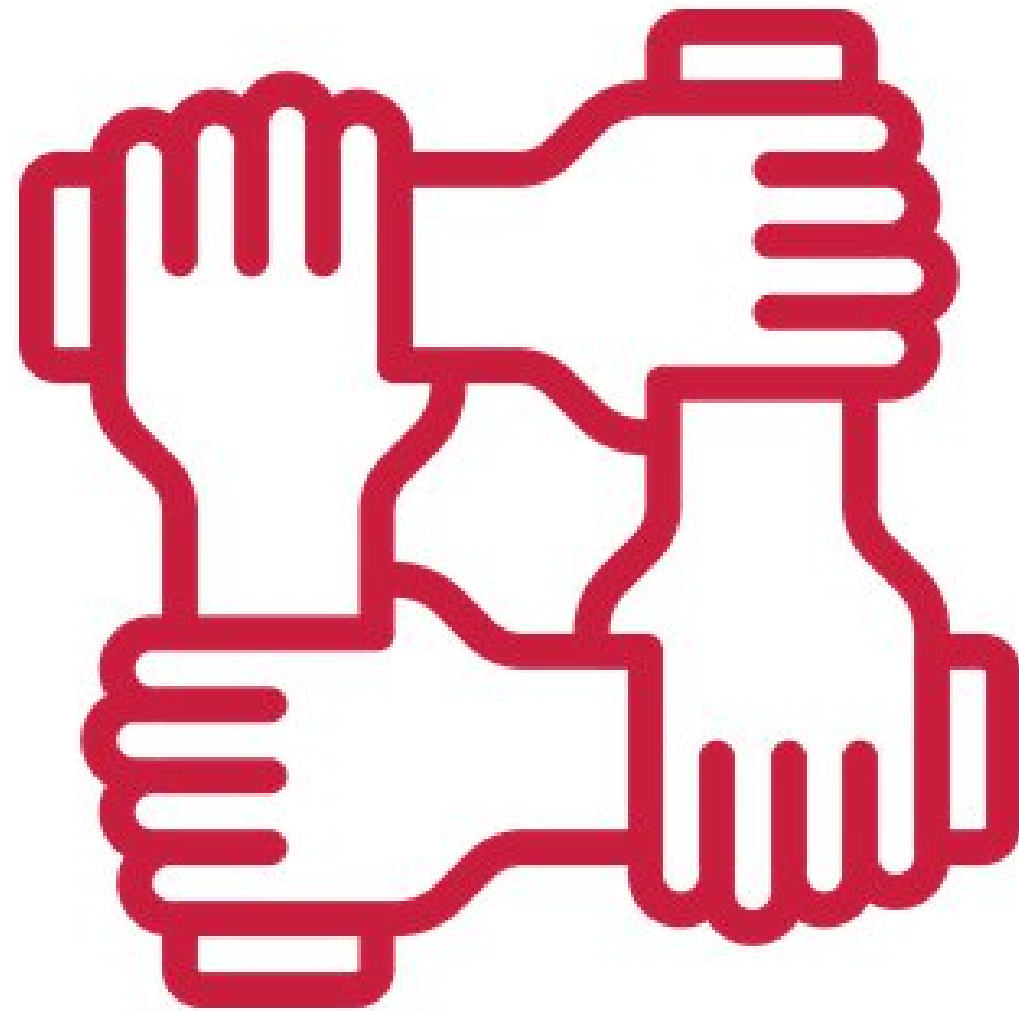

# End to End Training Lifecycle

## Step 4: On-Job Support

 We also commit ourselves to supporting our students during the job.

## And it's not just about the courses

The instructor at Think Tree are **seasoned professional who bring real-world experience into the classroom.**

And let's talk about the trainer – **Professor Dilip Sadh**

He is an industry veteran who lives and breathes SAP. He is passionate about sharing his knowledge and seeing you succeed.

**Our faculty is full time available for his students and 100% dedicated towards their success**

He doesn't just teach you theory; he shows you how to apply what you learn in practical, hands-on scenarios. This kind of experiential learning is invaluable and sets

Think Tree apart from other training institutes.

## Flexibility Delivery Model

Think Tree Technologies understands that we all have busy lives, So We offer flexible learning options. Whether you prefer **in-person classes, live online sessions, or self-paced courses**, We've got you covered!

This flexibility ensures that you can learn at your own pace and on your own schedule.

## We provides SAP Trainings

 **Live Training**

 **On Demand Training**

 **Online Training**

 **In-Person Training**
